

To whom it may concern:

We are pleased to confirm that islandus.com has been a merchant for VISA and MASTERCARD through our creditcard settlement agency for the past 5 years.

During this time we have successfully processed numerous payments every month on behalf of islandus.com. We have had no customer complaints or bank chargebacks on islandus.com transactions.

Korta is the only company in Iceland with PCI DSS certification (Payment Card Industry Data Security Standard). According to the international Card Companies, any entity that handles and/or services card information needs to be PCI certified.

Korta is therefore the only company in Iceland that meets the security requirements for handling and/or servicing card information.
